Interoffice Memorandum

TO: Ray Beach L-482
FROM: Eddie Scott
SUBJECT: IL-10507 Patent Application
"Parasitic Oscillation Suppression in Solid State Lasers
using Optical Coatings"

Enclosed is a copy of the final patent application for IL-10507 "Parasitic Oscillation Suppression in Solid State Lasers using Optical Coatings".

Also enclosed are two different forms that you need to sign and date: "Combined Declaration and Power of Attorney" and "Assignment."

The "Assignment" assigns your rights in the invention to the University of California. The "Combined Declaration and Power of Attorney" states that you are the inventor and gives me and the other named University of California attorneys the power to act on your behalf.

Please return these signed forms to me. Call if you have any questions.

A handwritten signature in cursive script, appearing to read 'Eddie Scott'.
